The Honorable Kenneth Hahn
Supervisor, Los Angeles County
Hall of Administration
Los Angeles, California

Dear Kenny:

I have just observed in the Anaheim Bulletin of Thursday, July 29, the recent county ordinance passed by you and your fellow supervisors concerning certain "bare bosoms" by which you are being troubled. Though I must admit that I was amused while reading the article, yet upon further reflection could recognize this as an indication of the extreme lengths to which a sin-gripped world has gone. I appreciate the "urgency" nature of the ordinance passed and am happy that you were a part of an official stand against obscenity.

We continue to look forward with interest to our September 5 through 12 Orange County campaign in the Pearson Park amphitheater, Anaheim. My wife and five-year old daughter will accompany me for this effort. We do wish the pleasure of having lunch with you sometime during our California visit if at all possible. I want them to know one of my very best friends and one of the most esteemed governmental officials that I have ever known.

We think of you often and send you our very best wishes.

Faternally yours,

John Allen Chalk
